Exporting a Motor Vehicle

Exporting Used, Self-Propelled Vehicles

Interpretation and Application of 19 CFR Part 192

Self-Propelled Vehicle. "Self-propelled" vehicle includes any automobile, truck, tractor, bus, motorcycle, motor home, self-propelled agricultural machinery, self-propelled construction equipment, self-propelled special use equipment, and any other self-propelled vehicle used or designed for running on land but not rail.

Ultimate Purchaser. "Ultimate Purchaser" means the first person, other than a dealer purchasing in his capacity as a dealer, who in good faith purchases a self-propelled vehicle for purposes other than resale.

Used. "Used" refers to any self-propelled vehicle the equitable or legal title to which has been transferred by a manufacturer, distributor, or dealer to an ultimate purchaser.

Documentary Status

It is the responsibility of the reviewing inspector to ensure that an original certificate of title is presented as provided for in 19 CFR 192.2 (b). The certificate of title is the core requirement in the Customs export process, regardless of the vehicle's economic value, physical condition, or operating order.
